

Annual General Meeting

As required under the BC Societies Act, our Community Society will be holding its Annual General Meeting on November 30, 2017.

The meeting will be at the Summit Centre commencing at 7:00 PM. Our by-laws require 25% of membership to be present or represented by proxy to convene an annual meeting. If you can't come out to the meeting please consider sending in a proxy so we can have a quorum. (proxy attached)

This meeting will be the forum for a few important items of discussion. Included will be a report on the status of our lease of the Summit Centre, and a discussion about use / potential ownership of the facilities. This is an important subject needing community involvement.

Additionally, we will be offering a full slate of potential Directors for the membership to vote on. Names will appear in another announcement just prior to the meeting.

Please plan to participate.
