

**Intervention By AMCS/RDOS
In The 2017 Fortis Electricity Rate Design Application**

September 10, 2018

On September 10th, AMCS/RDOS filed with the BCUC, its responses to the six information requests on the evidence that the AMCS/RDOS submitted on July 31st. These responses can be viewed at the BCUC website: <http://www.bcuc.com/ApplicationView.aspx?ApplicationId=610> under "C" Exhibits Intervener Documents.

The BCUC has also accepted AMCS/RDOS' request for intervener funding. The next step in the process will be a written exchange of arguments concerning the process going forward; in particular whether there will be an oral hearing. The BCUC will then lay out the remainder of the process with an aim to having its final decision implemented by January 1, 2019.
